TIMING SYSTEM

At the 2018 Los Cabos Half Marathon, an event of CABO RACES, 10K and 5K Races, the newest technology will be used for the timing of total times.

BIB TAG CHIP DISPOSABLE.

You will no longer use the chip that was placed in tennis, now the LOS CABOS HALF MARATHON, on the forefront in technology, offers you the Bib Tag time system, which is already integrated into the runner number, so you must Read the instructions for use that come in the envelope that we will give you.

It is essential that you carry your number on the front of the shirt and pass on the mats of exit and finish line so that your times can be recorded. The rider who does not have the number visible or does not cross the respective rugs in the above described conditions will be DISCLAIMED and will not be entitled to a finalist medal.

OFFICIAL RESULTS

The official results of the competition will be published on Sunday February 11 from 17:00 hrs. On the website www.loscaboshalfmarathon.com where you can consult them.

For the purposes of the award, the competition system will be by OFFICIAL TIMES being taken as valid to define the first three places of each category Time CHIP and OFFICIAL Time:

OFFICIAL Time: The official time is the time from the time of the starting shot until you cross the finish line.

Time CHIP: It is the time that is taken from when you cross the line of exit until you cross the finish line, that is to say, it is your real time of the race.
